

Join us for Lebanon High School Band's FIRST Zombie 5K! The goal of this race is not to achieve the fastest time, the goal of this race is to **SURVIVE!**

Runners will follow the designated course while encountering the LHS Band Zombies!. Lives (flags) can be lost if route is not followed. Each runner will be given a belt with 3 flags on it (similar to a flag football belt); each representing a life. Runners will have the opportunity to purchase more lives (flags) before and during the race. The goal is to protect these lives from the zombies who are trying to steal them. If you can cross the finish line with at least one life remaining, you have "survived." Crossing the finish line with no flags remaining means you have been "infected." Zombies will only grab flags in the designated "Zombie Zones" zones will be clearly marked, so get ready to bob and weave.

This is not a timed event and all runners will receive a medal at the finish line. Will yours say "Human Survivor" or "Infected?" The race is on, and there's no telling what you might encounter!

Will you survive the LHS Band Zombie Apocalypse?

\$25 Runner Registration includes:
